These samples are currently assign to a chemist and are pending confirmatory analysis.

Sorry for the inconvenience.

Hi Annie:

Tom Finigan sent in an expedited request on [REDACTED] Can you give me an update on the status?

I have [REDACTED] scheduled for grand jury tomorrow, but it is no problem rescheduling if the certs are not done yet.

Thanks

Hi Keith,

Lab #s [REDACTED] are currently in the safe. They are pending case assignment and analysis by a chemist.

If you need these samples to be expedited, please fax over a letter indicating the Lab#/s and date needed to the Evidence Office @ 617-983-6625 and they will assign them to a chemist/s.

Hope this helps.

Annie
